

Regulation made pursuant to Section 55(1)(c) of the *Clean Water Act*

**CATARAQUI SOURCE PROTECTION AUTHORITY: AUTHORIZING DIRECTION ON
RESTRICTED LAND USE APPLICABILITY**

Criteria for referral of applications

1. (1) An application for notice under Section 59 of the *Clean Water Act*, as it pertains to the Cataraqui Source Protection Plan, is not required if:
 - (a) the risk management official issues written criteria to a planning authority or building official governing the determination that specific applications for a planning approval or a building permit are not required to be referred to the risk management official for the issuance of a notice under clause 59(2)(a) of the *Clean Water Act*; and
 - (b) the applicant had demonstrated to the planning authority or building official, as the case may be, that the application satisfies the criteria mentioned in the clause above such that a significant drinking water threat activity designated for the purposes of section 57 or 58 of the *Clean Water Act* will not be engaged in, or will not be affected by the application.
